**Signature Information Solutions (SIS) Selects SGW, Inc. as its
Integrated Marketing Communications Firm**

*– Agency to work on several projects including advertising,
interactive and social media -*

Montville, NJ (July 13, 2009) – Signature Information Solutions LLC, the home of Charles Jones and Data Trace NJ/PA products and services, has announced that SGW Integrated Marketing Communications will be assigned several communications tasks to promote greater awareness of the rapidly growing company. The combined resources of SIS' two well-established brands makes it the preeminent leader in the business of serving the title and legal markets with exemplary and cost-effective solutions.

Using some traditional as well as some new communications tools, SGW will develop key advertising messages and executions for both online and traditional media. Social media will also become a part of the total marketing communications plan.

“We are excited about the addition of SIS to our list of prestigious client roster and look forward to providing strategically consistent creative communications materials to help SIS evolve its brand's positioning,” said Frank Giarratano, Chief Operating Officer of SGW, Inc. “We have a proven track record of being innovative when it comes to providing solutions that break through the communications clutter and resonate with customers. In addition, we are confident that SIS will continue to grow as we continue to develop effective ways to build their brand together.”
